

Advances in Clinical and Experimental Medicine

www.advances.umw.edu.pl

Advances in Clinical and Experimental Medicine (JCR – 1.9; 5-Year Impact Factor – 2.0) publishes high-quality original articles, research-in-progress, research letters, systematic reviews and meta-analyses of recognized scientists that deal with all clinical and experimental medicine.

We invite you to publish a free-of-charge editorial – a paper presenting your scientific work within up to 2000 words. Editorials are among the most cited papers published in our journal – your Hirsch index will certainly increase.

For details, please visit our website: <https://advances.umw.edu.pl/en/instructions-for-authors/>

Manuscripts should be submitted via our Editorial System:
